

OH BOY! CRATES (BOX WITH A CAUSE)

I am KINGSTON ZELAYA, owner of Oh Boy! Crates and author of the book King of the Dinosaurs. I am also an actor and model. Oh Boy Crates is a STEM quarterly subscription box for young children ages 3 to 10 years. I wanted to develop a crate that focused around my favorite things and centered around boy themes as when I did my research, there were no subscription boxes that focused around boys. Our boxes are for everyone who loves to explore and discover new things while learning. I also have developed a love for books which stemmed from my mother who would read to me daily while I was in the NICU the first month and a half of my life. I wrote my first book called King of the Dinosaurs which can be purchased on our website.

Although I was born at 31 weeks I am very grateful to the nurses and doctors at San Antonio Regional Hospital who cared for me so diligently during my hospitalization. With each Oh Boy! Crates purchased, a portion of the proceeds will be donated to the March of Dimes, a Non-profit organization that aims to fight prematurity and complications related to preterm deaths.

Your support will allow me to launch Oh Boy! Crates subscription boxes without incurring debt my first year. I hope your support will inspire others towards such a wonderful organization which helped saved my life and many other preterm babies.
